

Speaker Recordings Release Form-Specific Date

It is the policy of Westmont College to record campus speakers who have given this permission for the purpose of broadening access to the excellent lectures and themes presented on campus. Permission is required for the College to use the recordings for any purpose—such as reproduction or transmission.

By selecting the appropriate authorization and signing below, I am communicating to the college my preference regarding the capturing of an audio-visual recording of my presentation.

No additional presentation will be reproduced and distributed in any form (analog or digital including, but not limited to audio and videotape, CD, podcast, electronic broadcast, etc.) without my permission.

I DO authorize Westmont College to publish and distribute the recording of my presentation referenced below, consistent with the above description, to Westmont College iTunes U and YouTube sites.

I DO NOT authorize Westmont College to broadcast and distribute the recording of my presentation referenced below.

I DO NOT authorize Westmont College to make ANY recording of my presentation referenced below.
